To Whom It May Concern,

I am writing to wholeheartedly endorse Ahmad Homsy for your esteemed scholarship program. As the Direct Manager of OTOM8 LTD, a startup specializing in automating business logics, integrating online tools, and building prototypes for startups, I had the privilege of overseeing Ahmad's internship from September 2023 to February 2024.

During his time with us, Ahmad served as a Junior Frontend Developer, contributing significantly to various projects. He demonstrated a remarkable aptitude for frontend development, gaining hands-on experience in website construction using WordPress, crafting data models with Directus CMS, and exhibiting proficiency in HTML, CSS, and JavaScript.

Ahmad's dedication and passion for his work were evident throughout his internship. Despite balancing his responsibilities at OTOM8 with his studies as a forth-year student at the University of Computer Science, he consistently delivered high-quality results and showcased a strong work ethic.

His contributions to our team were invaluable, and he consistently impressed us with his creativity, problem-solving abilities, and collaborative spirit. Ahmad's positive attitude and eagerness to take on new challenges made him a highly valued member of our organization.

In conclusion, Ahmad Homsy is an exceptional individual who possesses both the academic achievements and practical experience necessary to excel in your scholarship program. I am confident that he will continue to make significant contributions to his field and emerge as a leader in the industry.

Thank you for considering Ahmad's application. Should you require any further information or have any questions, please do not hesitate to contact me at the provided email address or phone number.

Sincerely,

Abdulkader Khateeb
